BRAKE SERVICE AND MAINTENANCE TOOLS

Smart • Efficient • Reliable

PT660
DIGITAL BRAKE PRESSURE TESTER

High-precision dual-channel tester for accurate brake system pressure diagnosis in a wide range of vehicles. User-friendly interface, intelligent features & fast, reliable performance.

- Dual-channel Pressure Measurement
- High-precision Sensor
- Atmospheric Pressure Calibration
- Smart Digital Display
- Multiple Compatible Connectors

ADAPTER KIT
FOR PULSATING BRAKE & CLUTCH BLEEDER

A comprehensive set of high-quality adapters compatible with a wide range of vehicle makes and models. Ensures secure fit, efficient brake and clutch fluid exchange.

- Wide Vehicle Compatibility
- High-quality Materials
- Organized Storage Case
- Secure & Leak Proof Fit
- Easy to Use

AST605
BRAKE FLUID BLEEDER

Smart • Efficient • Reliable

Effortless brake maintenance for maximum safety & performance

- One-click Exchange
- Adjustable Pressure
- Improve Efficiency
- One-person Operation
- Widely Applicable
- Portable Design

AST618
PULSATING BRAKE & CLUTCH BLEEDER

Smart • Efficient • Reliable

Professional pulsating brake and clutch bleeder for fast, clean, and efficient fluid exchange

- Pulsating Oil Exchanging
- Widely Use
- One-person Operation
- Intelligent Adjustment
- Pressure Display
- Trolley Design

AST502
BRAKE FLUID TESTER

Smart • Efficient • Reliable

Highly accurate & easy-to-use tool to test brake fluid quality quickly and reliably

- Highly Sensitive Probe
- Boost Detection System
- Multiple Brake Fluid Compatibility
- User-friendly Design
- High-definition Backlit Display

Advanced Technology | **Precision Performance** | **Wide Vehicle Compatibility** | **User-Friendly Operation** | **Reliable & Durable** | **Professional Grade Tools**

Complete Solutions for Professional Brake System Inspection, Fluid Exchange & Maintenance

FUEL INJECTOR
SERVICE AND MAINTENANCE TOOLS

Smart • Efficient • Reliable

CT60
FUEL INJECTOR SIGNAL GENERATOR

The AUTOOL CT60 Fuel Injector Signal Generator is designed to simulate ECU signals to activate fuel injectors for testing and cleaning.

- Standard Injector
- High Volt Injector
- LCD Display
- Adjustable Working Frequency
- Adjustable Working Time

C100
FUEL SYSTEM CLEANER

- Fuel System Cleaning
- Intake System Cleaning
- TWC Cleaning
- Working Pressure Adjustment

PROFESSIONAL FUEL SYSTEM CLEANING SOLUTION

The AUTOOL C100 Fuel System Cleaner is a professional-grade too designed to clean fuel systems, intake systems, and catalytic converters efficiently. With adjustable working pressure and a compretenance set of adapters, it ensures thorough cleaning and optimal engine perfomance.

CT500
FUEL INJECTOR CLEANER & TESTER

GDI | EFI | FSI

- 15 Functions Available
- Voltages Selection
- Wide Compatibility
- Large Cleaning Tank
- Practical Drawer Design
- Color Display Screen

SPT101
SPARK PLUG TESTER

Professional. Accurate. Reliable.

The AUTOOL SPT101 Spark Plug Tester is designed to quickly and accurately test the performance of spark plugs, Ideal for automotive diagnostics and maintenance, it helps you ensure optimal engine performance with ease and efficiency.

- Spark Plug Performance Test
- Dual-Hole Design
- Simulate Engine Performance
- Support RPM Adjustment
- Safety Cover Play

PT630
FUEL PRESSURE GAUGE

The AUTOOL PT630 Fuel Pressure Gauge is a professional digital pressure tester designed for accurate measurement of fuel pressure in automotive systems. It combines high precision, multiple unit support, and ease of use to deliver reliable diagnostics for modern vehicles.

- Accurate Measurement
- Various Adapters
- Data Holding
- Multi-Unit Switching
- Riveted Copper Material
- 2.8" Backlit Screen

Advanced Technology | **Precision Performance** | **Wide Vehicle Compatibility** | **User-Friendly Operation** | **Reliable & Durable** | **Professional Grade Tools**

Complete Solutions for Professional Brake System Inspection, Fluid Exchange & Maintenance

ENGINE
DIAGNSIS TOOLS

ACCURATE DIAGNOSIS, EFFICIENT REPAIR, BETTER PERFORMANCE

PT610
CYLINDER PRESSURE GAUGE

ACCURATE MEASUREMENT, RELIABLE PERFORMANCE

- Accurate Measurement
- Various Adapters
- 6 Sets of Data Storage
- Multi-unit Switching
- Riveted Copper Material
- 2.8" Backlit Screen

PT620
OIL PRESSURE GAUGE KIT

Accurate Pressure Measurement for Reliable Performance

- Accurate Measurement
- Various Adapters
- Data Holding
- Multi-unit Switching
- Riveted Copper Material
- 2.8" Backlit Screen

SD208
SMOKE LEAK DETECTOR

POWERFUL DIAGNOSTIC TOOL FOR AUTOMOTIVE SYSTEMS

- **ACCURATE DETECTION** Quickly locates leaks in various systems.
- **EASY OPERATION** User-friendly design for fast and efficient testing.
- **WIDE COMPATIBILITY** Suitable for EVAP, intake, exhaust, crankcase, fuel tank and more.
- **TIME & COST SAVING** Detects invisible leaks, saving valuable repair time.

EVAP							
EVAP System Test	Various Pipe Fittings Test	Turbo System Test	Crankcase System Test	Intake System Test	Exhaust System Test	Car Sealing Test	Fuel Tank System Test

The AUTOOL SDT208 Smoke Leak Detector is a professional diagnostic tool designed to detect leaks in EVAP systems, intake systems, exhaust systems, crankcases, fuel tanks and more. It helps technicians quickly and accurately locate leaks, ensuring efficient repairs and improved vehicle performance.

SVB308
FOUR-WAY ARTICULATING BORESCOPE

- 4-way 360° Articulation
- One-Button Photo & Video Capture
- High-Temp. Protection
- HD 1080P HD Camera
- Screen Detachable Design
- IP67 Waterproof

Ideal for automotive, industrial, HVAC, mechanical, plumbing, and other professional inspection applications.

ACCURATE MEASUREMENT | RELIABLE PERFORMANCE | SAVE TIME & COST | WIDE VEHICLE COMPATIBILITY | PROFESSIONAL DIAGNOSTIC TOOLS

ENGINE
OIL CHANGER & TESTER

SMART TOOLS FOR ACCURATE OILL MAINTENANCE & DIAGNOSIS

OD710
PNEUMATIC WASTE OIL DRAINER

EFFICIENT OIL DRAINAGE MADE EASY

The AUTOOL OD710 Pneumatic Waste Oil Drainer is designed for fast, safe, and hassle-free oil evacuation from vehicles. Built with a large-capacity tank and adjustable height, it ensures smooth operation and maximum convenience in any workshop.

- Large-size Oil Pan
- Adjustable Height
- Thickened Tank Construction
- 70L Large Capacity
- Oil Level Sight Window
- 360° Swivel Casters

OD720
PNEUMATIC OIL DRAINER & EXTRACTOR

Smart, Efficient & Safe Fluid Maintenance for Automotive Professionals

- Large-size Oil Pan
- Adjustable Height
- EXPLOSION-PROOF MEASURING CUP
- VACUUM EXTRACTION TECH
- THICKENED TANK CONSTRUCTION
- 360° SWIVEL CASTERS

OD760
PNEUMATIC OIL DRAINER AND EXTRACTOR WITH DRAWER

The perfect solution for efficient oil draining and extraction. Designed for professional use in automotive workshops and service centers.

- Large-size Oil Pan
- 61-piece Tool Set
- Vacuum Extraction Tech
- Explosion-proof Measuring Cup
- Multi-tier storage drawer
- Thickened Machine body

AS503
ENGINE OIL QUALITY TESTER

AS503 Engine Oil Quality Tester is designed to quickly and accurately detect the condition of engine oil, helping you determine its cleanliness and remaining performance efficiently.

- High-precision Detection Probe
- Transmittance Display
- Oil Temp. Display
- Compatible With Various Lubricant Oil Standards
- User-friendly Handheld Design
- 2.8-inch Backlit Screen

EFFICIENT OIL DRAINAGE

SAFE & RELIABLE OPERATION

SAVE TIME & BOOST PRODUCTIVITY

PROFESSIONAL TOOLS FOR EVERY WORKSHOP

BETTERY & WIRING
TESTER TOOLS

SMART • ACCURATE • RELIABLE

BT760
BATTERY SYSTEM TESTER

- Battery Test
- Cranking Test
- Charging Test
- Load Test
- Data Printing
- HD Color Screen

BT160
AUTOMOTIVE ELECTRIC SYSTEM TESTER

- Polarity Test
- Open Circuit Test
- Diode Test
- Grounding Test
- Overload Protection

DM103
DIGITAL LCR TWEEZER

- Smart Component Recognition
- 6 Test Modes
- HD IPS Color Screen
- Rechargeable Lithium Battery
- SMD Test
- Diode Test

DM202
AUTO MINI MULTIMETER

- Automotive Mode Identification
- 5-second Quick Measurement
- NCV Non-contact Voltage Test
- Live/Neutral Wire Test
- 4000-count Display
- True RMS Measurement

RT120
CAR RELAY DETECTOR

- LED Display
- 4PIN/SPIN Switch
- Intelligent Alarm Design
- Various Relay Characteristics Pin
- Insulated Power Clamp

DIGITAL MULTIMETER
(GENERAL PERPOSE)

- High Accuracy Measurement
- Multiple Functions (V, A, Ω, Hz, etc.)
- Data Hold Function
- 600V CAT III Safety Rating
- Compact & Durable Design

Advanced Technology | Precision Performance | Wide Vehicle Compatibility | User-Friendly Operation | Reliable & Durable | Professional Grade Tools

Complete Solutions for Professional Brake System Inspection, Fluid Exchange & Maintenance

TRANSMISSION AND COOLING SYSTEM EQUIPMENTS

SMART • ACCURATE • RELIABLE

ATF705

AUTO ATF EXCHANGER

- Fully Auto Flushing & Oil Exchange
- Smart Oil Inlet/Outlet Direction Recognition
- New/Old Oil Equal-Volume Exchange
- D5-Inch HD IPS Screen
- New/Old Oil Sight Glasses
- One-Click Draining Design

AS505

TRANSMISSION FLUID TESTER

- High-precision Detection Probe
- Transmittance Display
- Oil Temp. Display
- User-friendly Handheld Design
- 2.8-inch Backlit Screen

SC301

COOLING SYSTEM TESTER & FILLER

- Cooling System Vacuuming
- Coolant Filling
- Pressure Leak Detection
- Three Pressure Modes
- Smart Control Panel
- Cooling System Protection

ATF705 AUTO ATF EXCHANGER

Working Pressure	0-1.0 Mpa
Oil Exchange Error	±100 ml
Oil Tank Capacity	2 x 20L
Power Supply	AC 220V ±10% 50Hz
Power	150W
Net Weight	70kg
Dimension	570 x 610 x 1070 mm

AS505 TRANSMISSION FLUID TESTER

Display Screen	2.8-inch
Oil Temp. Range	-40°C-150°C
Battery	3.7V 2500mAh
Working Voltage	DC 5V
Net Weight	0.6kg
Dimension	215 x 95 x 45 mm

SC301 COOLING SYSTEM TESTER & FILLER

Working Pressure	0-2.5 bar
Vacuum Rate	-0.1 bar
Coolant Tank Capacity	2L
Power Supply	AC 220V ±10% 50Hz
Power	120W
Net Weight	10.5kg
Dimension	380 x 250 x 370 mm

HIGH SAFETY PROTECTION | PRECISE & ACCURATE | USER-FRIENDLY OPERATION | DURABLE & RELIABLE

ULTIMATE TYRE SERVICE EQUIPMENTS

SMART • ACCURATE • RELIABLE

XC505

3D WHEEL ALIGNER

- Safe & Stable
- Car Model Database
- Precise Positioning
- Fast & Efficient
- Voice Guidance
- All-in-one Cabinet

TCA403

LOW-PROFILE TYRE CHANGER

- High-precision Inflation Gauge
- Pull-out Foot Valve Design
- Alloy Steel Jaws with Protection
- Stainless Steel Dismounting Head
- Large Pneumatic Cylinder
- Standard with Tyre Bead Clamps

TWB205

INTELLIGENT PRECISION WHEEL BALANCER

- Automatic Mode Identification
- 5-second Quick Measurement
- Top & Bottom Laser Indicators
- Multiple Balancing Modes (ALU)
- Microcomputer System
- Cast-iron Foot Brake System

ATL-4.5D / ATL-4.5DW

EU STANDARD GANTRY LIFT

- 150% Static Test 115% Dynamic Test
- Strong & Stable Structure
- Unilateral Unlocking System
- Reinforced Composite Housing
- High-strength Arms (20% Stronger)
- Triple Safety Protection Design

XC505 3D WHEEL ALIGNER

Camera Technology	3D HD Camera
Measurement Accuracy	±0.01°
Car Database	20,000+ Models
Power Supply	AC 220V
Communication	Wireless

TCA403 TYRE CHANGER

Rim Clamping	12"-24"
Max. Wheel Diameter	1100mm
Working Pressure	8-10 bar
Motor Power	1.1kW
Net Weight	208kg

TWB205 WHEEL BALANCER

Max. Wheel Weight	65kg
Rim Diameter	10"-26"
Balancing Speed	260 r/min
Power Supply	AC 220V
Net Weight	120kg

ATL-4.5D/ATL-4.5DW

Lifting Capacity	4500kg
Max. Lifting Height	1990mm
Min. Height	95mm
Power Supply	380V/220V
Drive Type	Hydraulic

HIGH SAFETY PROTECTION

PRECISE & ACCURATE

USER-FRIENDLY OPERATION

DURABLE & RELIABLE

HTS705

DRY ICE BLASTING MACHINE

Powerful Cleaning, Zero Residue, Maximum Performance.

DRY ICE CLEANING
Effective Carbon Deposit Removal

HIGH-SPEED AIRFLOW
Quick & Efficient Cleaning

SAFE & NON-ABRASIVE
No Damage to Engine Components

ECO-FRIENDLY
No Residue, No Pollution Environment Safe

TIME SAVING
Job Done in Just 15 Minutes

The **AUTOOL HTS705** Dry Ice Blasting Machine is an efficient cleaning solution for automotive professionals. It uses high-speed airflow to propel dry ice particles that effectively remove carbon deposits from engines and other critical components. The dry ice instantly vaporizes upon impact, leaving no residue, no pollution, and no damage to the vehicle.
Ideal for engine bays, combustion chambers, intake valves, throttle bodies, and undercarriages.
Complete the cleaning process in just **15 minutes without disassembly**.

REFRIGERANT
RECOVERY MACHINE

**Advanced solution for efficient refrigerant recovery, recycling and recharging.
Smart, reliable and easy to operate.**

SMART OPERATION

HIGH ACCURACY

SAFE & RELIABLE

- **Dual Systems** R134a/1234yf
- **Auto Mode** Fully automatic operation
- **7-inch Touch Screen** Clear & easy control
- **Built-in Database** Vehicle database included
- **Data Printing** Print reports & service data
- **Refrigerant Cleaning** Keep system clean & efficient

MAKE THIS SAME FULL HD BLACK & WHITE

FUNCTION DISPLAY

- Dual Systems R134a/1234yf
- Refrigerant Recovery
- Vacuuming
- Refrigerant Refill
- Refrigerant Recharging
- Leak Detection
- Refrigerant Cleaning
- Auto Add New Oil
- Built-in Database
- Auto Mede
- 5 Electronic Scales
- 3 Refilling Methods
- Operation Record Query
- Data Printing

Refrigerant R134a/1234yf	**Vacuum Pump:** 100 L/min	**Display** 7 inch Touch Screen
Compressor: 1/2 HP	**Tank Capacity:** 10 kg	**Net Weight:** 75 kg
Compressor: 1/2 HP	**Power Supply:** AC 220V ±10% 50Hz	**Dimension:** 580x480x1020 mm

JUMP STARTER & BATTERY CHARGER

POWERFUL START • RELIABLE PERFORMANCE • SAFE & SMART • EVERYTIME, EVERYWHERE

HIGH PEAK CURRENT | HIGH CAPACITY | SAFE & PROTECTED | SMART TECHNOLOGY | WIDE COMPATIBILITY

CAR | SUV | TRUCK | MOTORCYCLE | BOAT

ONE SOLUSTION. MULTIPLE NEEDS. TOTAL PEACE OF MIND.

AUTOOL

CERTIFICATE

(ATGWB20251121001)

Hereby authorize:

AUTOOL allows the company"SARAS AUTO ELECTRICALS " to sell AUTOOL branded products in the offline market in INDIA. The company is also authorized to provide after-sales servicesupport for customers including fixing and repairing all AUTOOL products!

Name of Attorney Company:
SARAS AUTO ELECTRICALS

Authorization period:
From November 25 to November , 2026

Please kindly note that the sale or transfer of this certificate is strictly forbidden, and any form of alteration or modification shall render it null and void.
